Karley, 4½, was diagnosed with Leukemia on April 8, 2013. She is a vibrant, happy little girl who's smile can light up a room. Karley loves to dress up, but is also Eli Manning's biggest fan! She is the lone Giants fan in a family of Broncos fans. Karley loves all sports, especially gymnastics. Her favorite place is the beach and she can not wait until she is healthy so that she can go to SeaWorld to see the dolphins.
